

**Resource Awareness Workgroup  
Meeting Minutes – 2.27.17**

***“Providing information that connects Waushara County residents with resources”***

**Present:** Bill Rosenau, Veterans; MaryAnn Schilling, UW-Extension; Jan Novak, Human Services; Jill Wilbert, CAP Services; Nicole Overbeck, Wautoma Library.

Agenda approved as published.

**2017 Updates:**

The Resource Page and Help for Hard Times publications were released in an email blast to area schools, agencies and committees on February 16, 2017 with invitation to post on websites or link to the Waushara Prevention Council website.

Spanish translations of the Resource Page will be released once completed. Printing pocket resource cards will follow this translation. Nicole will ask her intern to translate Help for Hard Times. At some point, it would be good to alphabetize this document – possibly for 2018?

**Facebook Posts:**

Considered options for posting items listed in Help for Hard Times. Priority given to organizations with website listings so users can easily access program/resource information. Posts should also include clipart or photo related to the service being discussed. Process could be time intensive, but a great tool to expand awareness of resources. Jan will contact FVTC to identify students who might assume this task as a project.

**Budget & Funding:**

Printing pocket resource cards expected to be covered by WPC, Inc. general fund.

**Next Meeting: TBD as needed**
